RESTITUTION PAYMENT SCHEDULE

This memorandum serves as notification of a restitution payment schedule agreed upon by the above probation officer and probationer.

It is the responsibility of the supervising probation officer to notify the Court of an agreed-upon payment schedule, thus making a reasonable payment schedule set by the Court. The schedule is based upon the defendant's ability to pay at the time it is formulated. Periodic reviews of the probationer's financial situation will be made in order to determine whether the schedule shall be changed. In the event any changes are made, the Court will be so advised.

At the present time, the agreement is as follows:

The above-supervised probationer has presented financial information to the U.S. Probation Office from which a payment schedule has been established. Mr. Todd has agreed to pay his court-ordered restitution of \$20,000 in monthly installments of \$250.00 as of July 2006.

If Your Honor concurs with this payment schedule, please advise by signing below.
